We are grateful to You, God for creating [pet] and entrusting us with her/his care for a measure of time. [Pet] is a wonder of intricate life and has been a precious gift to the planet and all living beings. We now give her/him back to You.

We ask that St. Francis embrace [pet] with his loving arms and lift her/his spirit to be with You to watch over her/him eternally.

Please now, touch [pet]'s spirit with peace as we return our precious [pet] to you.

In the name of Jesus, we pray. Amen.
