O Creator of all things, we pray for the peaceful passing of [pet].

We thank you for allowing us to see the signs around us that this creature is ready to depart from our world. We are grateful that our eyes and hearts have been open to these signs, and we trust them.

We ask that you give us the strength to accept the loss of [pet] with grace and gratitude, knowing that our connection with this animal has brought us many gifts.

We trust in your promise that all things come from you, and return to you in their time. We are grateful for all we have received, knowing it comes from your hand.

We pray for [pet], who has shared their life with us on Earth, that they may find peace and rest in your arms as they leave this world. May they pass from one life into another without pain or sorrow. Aho.
